

MATHIAS DALMAS

Villa Mercedes, San Luis | (C) +54 2923445561 |

dalmasmathias@gmail.com

Summary

An engineer with extensive experience in Procurement (8 years) and Production (1.5 years). Currently, I work as a Supply Planning Supervisor at Mondelēz International at Villa Mercedes plant, where I lead a team of 4 people in material and production planning. Previously, I worked as a Sourcing Specialist with a focus on Latin America (Mexico, Perú, Brazil & Argentina). Before that, I held positions at Toyota Motors as an Ssr Buyer and at Arcor Saic as a production engineer. I am a responsible, punctual, and productive professional, prepared to embrace new challenges that will further enhance my career.

Summary of qualification

- Act as a troubleshooter
- Figure out practical ways to get things done, overcoming obstacles in the way
- Remain calm during crises and thus have a settling effect on others
- Ability to adapt to challenging and changing environments

Work History
